

	Tuesday Day 1 (13 May 2025)	
11:00-14:00	Registration	
14:00-14:15	Opening Ceremony UAveiro Rector, CESAM Director, Chair of the Council	
14:15-15:15	Plenary Keynote: Vera Helene Hausner, Arctic University of Norway “The Transformative Power of Co-Creation for Ecosystem Restoration” Room 1-Auditório Renato Araújo	
15:15 - 16:15	Transformative change for co-creation of nature restoration Room 1-Auditório Renato Araújo	Mainstreaming Biodiversity: A condition for transformative change Room 2-Sala Atos
16:15-16:45	Coffee break	
16:45 - 18:05	Transformative change for co-creation of nature restoration Room 1-Auditório Renato Araújo	Mainstreaming Biodiversity: A condition for transformative change Room 2-Sala Atos
18:05-19:00	Welcome Reception	

	Wednesday Day 2 (14 May 2025)				
09:00-10:00	Plenary Keynote: Alex Franklin, Coventry University (UK) "Biodiversity and Societal Transformation: Becoming Response-Able" Room 1-Auditório Renato Araújo				
10:00 - 11:00	Nature-Based Solutions for Transformative Change: Catalysing Systemic Shifts Toward Sustainability Room 2-Sala de Atos Académicos	Values in Action: Co-Imagining Ethics for Transformative Interfaces and Communities Room 4-Sala de Reuniões e Traduções	Engaging in the science-policy interface: addressing capacity needs to meet their transformative potential Room 6-Auditório José Grácio	Shaping Biodiversity Futures: Stories of Action, Reflection and Change (presentations & interactive workshop) Room 1-Auditório Renato Araújo	Posters Room 3-Sala do Senado
11:00-11:30	Coffee break				
11:30 - 13:00	Nature-Based Solutions for Transformative Change: Catalysing Systemic Shifts Toward Sustainability Room 2-Sala de Atos Académicos	Values in Action: Co-Imagining Ethics for Transformative Interfaces and Communities Room 4-Sala de Reuniões e Traduções	Engaging in the science-policy interface: addressing capacity needs to meet their transformative potential Room 6-Auditório José Grácio	Shaping Biodiversity Futures: Stories of Action, Reflection and Change (presentations & interactive workshop) Room 1-Auditório Renato Araújo	Posters Room 3-Sala do Senado
13:00-14:15	Lunch				
14:15-15:15	Plenary online-Keynote: Ingrid J. Visseren-Hamakers (Radboud University, NL) "Transformative biodiversity governance: how to address the underlying causes of biodiversity loss" Room 1-Auditório Renato Araújo				
15:15 - 16:15	Hidden Guardians: The Crucial Role of Soil Biota in Resilient Ecosystems for Transformative Change Room 1-Auditório Renato Araújo	Transdisciplinary education and biodiversity research Room 2-Sala de Atos Académicos			Posters Room 3-Sala do Senado
16:15-16:45	Coffee break				
16:45 - 18:05	Hidden Guardians: The Crucial Role of Soil Biota in Resilient Ecosystems for Transformative Change Room 1-Auditório Renato Araújo	Transdisciplinary education and biodiversity research Room 2-Sala de Atos Académicos			Posters Room 3-Sala do Senado
19:30	CESAM Dinner				

	Thursday Day 3 (15 May 2025)				
09:00-10:00	Plenary Keynote: Toke Thomas Høye (Aarhus University, DK) "Automated species monitoring from the Arctic to the tropics" Room 1-Auditório Renato Araújo				
10:00 - 11:00	Advanced biodiversity monitoring in eLTER and other research infrastructures and networks Room 1-Auditório Renato Araújo	Leveraging the diverse values of nature for transformative change (workshop including presentations and a world café discussion) Room 4-Sala de Reuniões e Traduções	Unravelling lock-ins: barriers & levers for transitioning agricultural systems to support biodiversity (I) Room 5-Auditório Carlos Borrego	Citizen science for transformative biodiversity action: concept and empirical examples Room 2-Sala Atos	Posters Room 3-Sala do Senado
11:00-11:30	Coffee break				
11:30-13:00	Advanced biodiversity monitoring in eLTER and other research infrastructures and networks Room 1-Auditório Renato Araújo	Leveraging the diverse values of nature for transformative change (workshop including presentations and a world café discussion) Room 4-Sala de Reuniões e Traduções	Unravelling lock-ins: barriers & levers for transitioning agricultural systems to support biodiversity (I) Room 5-Auditório Carlos Borrego	Unravelling lock-ins: barriers & levers for transitioning agricultural systems to support biodiversity (II) Room 2-Sala Atos	Posters Room 3-Sala do Senado
13:00-14:15	Lunch				
14:15-15:15	Plenary Keynote: Sebastian Villasante (University of Santiago de Compostela, ES) "The IPBES Transformative Change Assessment: Key Findings and the Roles for All" Room 1-Auditório Renato Araújo				
15:15 - 16:15	Transdisciplinary Pathways for Addressing the Biodiversity-Climate-Society Nexus: Insights and Collaborative Opportunities Room 2-Sala de Atos Académicos	Transformative spatial governance of biodiversity protection in Europe Room 4-Sala Reuniões e Traduções	Can governmental reporting on the state of nature be transformative? Room 1- Auditório Renato Araujo	Transforming Forests: Integrating Conservation and Production for a Sustainable Future Room 3-Sala do Senado	
16:15-16:45	Coffee break				
16:45 - 17:45	Transdisciplinary Pathways for Addressing the Biodiversity-Climate-Society Nexus: Insights and Collaborative Opportunities Room 2-Sala de Atos Académicos	Transformative spatial governance of biodiversity protection in Europe Room 4-Sala Reuniões e Traduções	Can governmental reporting on the state of nature be transformative? Room 1- Auditório Renato Araujo	Transforming Forests: Integrating Conservation and Production for a Sustainable Future Room 3-Sala do Senado	
17:45	Departure to the social programme (Vista Alegre visit and Dinner)				

	Friday Day 4 (16 May 2025)		
09:00-10:00	Plenary Keynote: Alexandra Aragão (UCILeR, University of Coimbra, PT) "Is law the missing link between science and policy? Unlocking the transformative power of law for biodiversity" Room 1-Auditório Renato Araújo		
10:00 - 11:00	Transformative change for co-creation of nature restoration: Part 2 Room 1-Auditório Renato Araújo	Transformation of, through and for nature conservation – How to foster transformative change in the science-policy interface Room 2-Sala de Atos Académicos	Transdisciplinary Pathways for Addressing the Biodiversity-Climate-Society Nexus: Insights and Collaborative Opportunities: Part 2 Room 4 -Sala de Reuniões e Traduções
11:00-11:30	Coffee break		
11:30-13:00	Final Session & Closing Ceremony Keynote: Gilles Doignon (European Commission) "Transformative change for biodiversity: so what? Perspectives for research and policy in a changing world" Room 1-Auditório Renato Araújo
